1 Swinxs

The high-tech game console. Swinxs' durable design allows it to be used both indoors and outdoors. As it runs on a long-lasting battery it can be taken to the park, the beach, the garden or the playroom. Swinxs is great for birthday parties as you can play with up to 10 players. A single player mode is also available.

3 Swinxs.com

Swinxs never gets dull or repetitive. By connecting Swinxs to a computer through a USB cable (included) you are able to download new games. At swinxs.com players can share experiences, learn new tricks and create their own games.

Swinxs has 4 dimensions:

2 XS-tags

Cool collectible wristbands with microchips that communicate with Swinxs. Each player has their own colored XS-tag.

4 Games

Swinxs will organise races, hide and seek, obstacle courses, tag, musical chairs-style games, hunting in the dark and much, much more. The full range includes physical, creative and educational games. Swinxs comes with ten games and more can be downloaded **free** from the website, along with music and quizzes.
